City of North Tonawanda Seeks Public Comment on Annual Report

The City of North Tonawanda, in partnership with the Western New York Stormwater Coalition, would like to invite the public to review and comment on its draft Annual Report in an effort to increase public awareness and encourage involvement with stormwater pollution prevention.

The Western New York Stormwater Coalition is a group consisting of representatives from Erie County, Niagara County, thirty-nine regulated municipalities and environmental consultants. The members meet on a monthly basis to collaborate on shared projects that support their stormwater management programs.

The draft Annual Report highlights the best management practices that the City of North Tonawanda has implemented in its efforts to prevent pollutants from entering municipal storm sewer systems and local waterways. The draft Annual Report will be available for review and comment at the City Court Room, City Hall, 216 Payne Avenue on May 18, 2010 at 6:00 PM. For more information, contact the City of North Tonawanda's Stormwater Management Officer, Dale Marshall, P.E., at (716) 695-8565.
