City of North Tonawanda, New York - 2016 Budget

The City of North Tonawanda, located midway between Buffalo and Niagara Falls, is the second largest community in the County of Niagara, and the seventeenth (17) largest city in the State of New York. Its 2010 population, according to the United States Census Bureau, was 31,501. North Tonawanda has a land area of 10.5 square miles and an infrastructure which includes 118 miles of paved highways, 121 miles of

water lines and sanitary sewers and 60 miles of storm sewers.

The perimeter of the City is 13.5 miles, of which 9.26 miles is waterfront. A total of 6,830 acres comprise the total area of the City. It is located 566 feet above sea level and has an annual temperature of 47.7 degrees and an average rainfall of 39 inches. The City is served by CSX, Niagara Frontier bus lines, the Buffalo and Niagara Falls Airports, the New York State Thruway and major county and state highways. Two prominent water resources serve as Municipal boundaries: the New York State Barge Canal on the south and the Niagara River on the west.

The name Tonawanda, which means "swift running water, is derived from the Iroquois Indians who occupied the land along Tonawanda Creek. Originally, the Tonawanda's were part of the township of Buffalo. In 1836 the township was incorporated into a separate entity. In 1854 the present City of Tonawanda was incorporated as a village and North Tonawanda was originally a ward of the Village of Tonawanda. North Tonawanda separated from Tonawanda and incorporated itself as a village in 1865 and received its City Charter in 1897.

Subject to the provisions of the State Constitution, the City operates pursuant to its Charter and various other laws applicable to the City. The executive power of the City rests with the full time Mayor, who is elected for a four year term. The legislative power of the City is vested in the Common Council which consists of five Aldermen: two at large, who are elected city wide for staggered terms of four years each, and three who are elected by the voters in their respective wards, for concurrent terms of two years each. A new Charter was approved by the voters and took effect on January 1, 2002.

Electricity and natural gas are supplied throughout the City by National Grid Inc. and National Fuel Distribution Corporation, respectively. Sanitary sewer collection, treatment and disposal facilities are maintained by the City. Sewer operational costs are covered by charging sewer rents to the users. The City maintains its own water purification, pumping and distribution system. Water operational costs are covered by charging water rents to the users.

City owned and maintained recreational and park facilities include 1 swimming pool, 1 raindrop pool, 14 playgrounds, 8 tennis courts, 8 softball diamonds, 6 hardball diamonds, 8 parks, 9 outdoor basketball courts, 1 lacrosse field, 2 outdoor disk golf courses 1 outdoor ice rink, a youth center, botanical gardens, senior citizens center, 3 boat launches, 3 kayak launches, 1 transient boat dock at Gateway, 2 handicap accessible fishing docks and a 27 hole golf course.

To insure to public safety and the protection of property, the City maintains a central police headquarters, an emergency management office, and five fire stations.

Historically, North Tonawanda has been an important regional manufacturing center. The City's strategic location at the confluence at the Erie Canal (now called the Barge Canal) encouraged the development of a strong industrial corridor along the waterfront and on Tonawanda Island, which is accessible by vehicular traffic. At the turn of the century, the City was designated the "Lumber Capital" of the world because of the oak produced for shipbuilding and other wood products.

XIV.3 Recreation

February 12, 2014

The Honorable Mayor Robert Ortt and Common Council Members City Hall 216 Payne Ave. North Tonawanda, New York 14120

Dear Honorable Body:

Please review and approve the attached Part-Time and Seasonal Wage Schedule for 2014, 2015 and 2016 which will keep the City in line with the new minimum wage schedule that New York State implemented December 31, 2013. The 2014 wage increase will go into effect for all employees on March 1, 2014. The hourly rate changes are noted in red and blue on the attached sheets.

Even though the City is exempt from paying minimum wage to Parks and Recreation seasonal employees, it is becoming more and more difficult to find good, hard-working and qualified applicants that will work at a much lower rate than minimum wage.

One way to retain these employees is to raise our hourly rates to be more completive with private businesses.

Thank you for your consideration.

Respectfully submitted, Patricia A. Brosius Director of Youth, Recreation & Parks

MOVED by Alderman Needler

SECONDED by Alderman Zadzilka

That the Common Council hereby approves the aforementioned Part-Time and Seasonal Wage Schedule for 2014, 2015 and 2016. The 2014 wage increase will go into effect for all employees on March 1, 2014.
