Be advised that Section 50 of the General Cities Law of the State of New York states that each person duly licensed and engaging in business as a contractor for a fee, within the City of North Tonawanda, New York shall register annually with the City Clerk. Such registration shall run from January 1st to December 31st in each successive year.

In order to receive a Contractor's License from the City of North Tonawanda, your insurance agency must insure the City of North Tonawanda that they will provide a Certificate of Insurance upon renewal of the policy, or in the event the policy is not renewed, your agency insures that they will notify this office within five days of the expiration date.

Barring either of the above, the City of North Tonawanda must deny a Building License to your insured.

If any of the required insurances are allowed to expire, your license will be suspended, and no building permits will be issued until your insurances have been updated. If any contractor is found to be performing any work within North Tonawanda City limits without a license and or permit, they are subject to a fine and or imprisonment.
