Traffic Safety Minutes:

The December 2017 meeting of the North Tonawanda Traffic Safety Committee was called to order at 1900 hours. Roll call showed the following members present: J. Sikora, R. Frank, M. Daigler, M. Anastasi, A. DiBernardo, M. Lemke, and E. Smolinski. The minutes from the previous meeting were read and accepted, the following new concerns/requests were discussed, and recommendations made.

1. Member Frank reported on a Council workshop discussion attended by members of the Committee regarding an East/West truck route. The Committee makes the following recommendation to the Common Council. See attachment.
2. Member Smolinski gave a presentation on changes to parking along Main Street. Member Daigler will get measurements and make additional recommendations at a future meeting prior to painting season.
3. A request from Northwest Bank, located in Mid City Plaza, to change the one way road along the Plaza, behind Dunkin Donuts, back to a two way, was discussed. The Committee does not recommend making any changes. Accidents and problems have been eliminated since the change to one way was made.
4. A request from Tom Galas, 174 Belmont Court East, to make changes to the signal located at Center and Oliver was discussed. The Committee does not recommend any changes at this time.
5. A request from Eric Mas, to make changes to the signal located at the intersection of Webster and Sweeney Streets was discussed. It was agreed this is an area of high pedestrian traffic with a line of sight issue due to the bridge. Additional research will be done and the topic will be discussed at future meetings.
6. A request from Albert Sodaro, 560 Sweeney Street, to place no parking signs in the area of 552 to 578 Sweeney Street, was discussed. The Committee does not recommend placement of the requested signs and agrees the included pictures are not "normal" parking conditions in the area.

Meeting adjourned at 20:20 hours.

We will also need the launching ramps closed from noon on Friday till 8pm Sunday.

RE: Brews & Wines on the Water 2018

Dear Mr. Pappas & Common Council,

I want to thank you again for all of your help with our Brews & Wines on the Water event this past July at Gratwick Park. The City of North Tonawanda and everyone involved have been a complete pleasure to work with over the past two years and we are very much looking forward to the 2018 event.

To that end, we have already identified a date we'd love to secure if it is agreeable to by the City of North Tonawanda. We would love to reserve Saturday, July 28, 2018 if it is available. We are already planning how to grow the scope and attendance even more, including a new partner for securing breweries as well as a dedicated VIP hour prior to general admission. Our plan would be to do a VIP hour 2p-3p and general admission 3p-8p.

Please let me know if all this works for the City of North Tonawanda. If so, we'd like to hold the date and we can put agreements in place. Thanks again for all of your assistance - we're looking for 2018 to be our largest event yet!

Sincerely,

Ross DiFranco & Samantha Ogrodnik

Dear Mr. Zadzilka :

I am writing to you to request permission for North Tonawanda School District's sixth annual 5K and 1 mile family fun run to be held on Saturday, April 21, 2018 at 9 AM. We intend for the races to begin and end at North Tonawanda Middle School. I have attached a proposed race route, which runs through Wurlitzer Park. Our course was certified a few years ago and has been the same every year.

I have been in contact with Captain Karen Smith, who is in support of our presented route and schedule. I would like to request police escort and presence at critical intersections, as well as DPW assistance in providing barricades along the route.

We are very excited to offer this event for our community at a very low cost for adults, and hopefully free for children, as we are promoting good overall community health. Our hope is to continue this as a yearly event.

Thank you for your consideration of this request. If you need further information, please contact me at 807-3715.
