Instructions:

The laws of the State of New York governing buildings must be complied with.

No work is to be started without a building permit.

Building materials must not be stored in street or alley unless permission has first been obtained from the Superintendent of Public Works.

The Building Inspector may make such investigations and obtain such additional proofs of the estimated costs of construction and alterations as he may require in fixing the fair and reasonable estimated value of such construction and alteration.

Copy of the contract, if job is provided by a contractor. One set of plans, if applicable.

Remarks:

Plumber: _____ **Electrician:** _____

The undersigned certifies that the plans and specifications as files are in accordance with the regulations of the City Building Ordinances and agrees that all work and materials shall be in strict conformity with the laws of the State of New York.

The location is to be shown on the Plot Plan, and other information given with this application.

The owner as shown at the top of this application is the Title owner of the land upon which the proposed building is to be done, and the cost of the proposed work is true value.
