Re: Project 2002-06, Pump Station No. 9, Sherwood Avenue
Amendment No. 1 to Engineering Design Agreement

Honorable Body:

The Sherwood Avenue Pump Station No. 9 Project was approved in 2002 to be assessed to the benefiting property owners, with a shared cost of the project to the city for the replacement of the existing Sherwood Avenue Lift Station, which provides sewerage to approximately 90 existing homes on Sherwood Avenue. The pump station, as originally proposed, was designed to provide sanitary sewer service to the Woodstream Park Subdivision off of Erie Avenue, and the Rosal Estates Phase II and Shannon Estates subdivisions located on Walck Road, as well as the elimination of the existing Sherwood Avenue Lift Station. Much of this area has become undevelopable due to the NYSDEC claiming the lands in 2011 as State Wetlands, designated as TE-39, TE-40, and TE-44. This action effectively eliminated the Woodstream and Rosal Estates II subdivisions from development for the foreseeable future. The new wetland designations also curtailed a portion of Shannon Estates from future development.

As a result of the changes imposed by the promulgation of new State wetlands on Walck Road and north of Sherwood Avenue, as well as the addition of the Villas of Deerwood Condominium Project on Walck Road, approved in 2011, the city initiated a redesign of proposed Pump Station No. 9 to accommodate these changes.

Accordingly, I respectfully request that the Common Council approve amendment No. 1 with Nussbaumer & Clarke, Inc., Engineers and Surveyors, 3556 Lake Shore Road, Buffalo, New York 14219-1494, in the amount of \$24,826, for the and re-design of Pump Station No. 9, all subject to review by the City Attorney.

Honorable Mayor Arthur Pappas
City of North Tonawanda

North Tonawanda, NY 14120

Dear Mayor Pappas,

We are once again planning the T-NT Gateway Market for the summer and early fall season at the Gateway Harbor Park. Based on the success of last summer's event, we are looking forward to even more participation from the general public.

This type of trendy event brings a new diverse element to our downtown area much like in other areas in Western New York. The artisan market will have quality hand made goods, the music mostly acoustic and the food trucks will feature a variety of specialties. The hours of the event have been adjusted from last year to begin at 5pm until 8pm. The event would run every Thursday from June 4th ending October 1st. There would be no market on July 16th or July 23rd due to Canal Fest.

The market will be a joint effort with the City of Tonawanda and the Merchants in the downtown area. We share the same vision and will execute the event as a single event in two locations. Our goal as before is to grow the event and bring more new people to the area. Any of the monies made during the event will benefit both Merchant Associations and our continuing efforts to beautify and promote the area.

04-07-2015

We are respectfully requesting your support in our efforts. We realize that our food trucks have new regulations which we discuss with them. We also realize that parking for the businesses in the park campus was an issue in the past. We have corrected that issue with a later start time and a more proactive approach and notification as to market days and times. We are also requesting a parking dispensation for the Sweeney Street Tenants to park on Webster Street with no issues.

Attached please find an Event Overview for your review.

Please feel free to contact me should you need further details. Thank you very much for your consideration.

Sincerely,
M. Suzanne Todaro

To Mayor Art Pappas and Council:

We would like to thank you for your continued support for the Concert Series at Gratwick Riverside Park in North Tonawanda. I am writing to ask for a date on your schedule to discuss some changes we propose for the series. First, we need to change our day from Sunday shows to Friday night shows. After much research and experience doing shows on all the weekend days, Friday's have been continually the most successful for attendance for

the concerts. Second, we wish to do four (4) consecutive shows that would begin July 10 and include July 17th, 24th and 31st. The parking would begin at 3pm with gates to the venue at 4pm and the bands ending no later than 11 pm.

Also, we wish to change the name to 'North Tonawanda's Rockin the River Series.' The other concert series in the area denote the name of the locale where the shows take place. We feel by changing the name, it will help concert goers know where they are going, as well as boost the name of the City on all media and advertising the series does.

We feel the series is a staple for North Tonawanda and draws people from all over Western New York to the series and supports businesses in the area. Please consider our request for changes to the series which I feel will again make the concert season a success. I look forward to meeting and discussing the series with you.
