

(7) “Energy Performance Score” shall mean the numeric rating generated by Portfolio Manager that compares the Energy usage of the building to that of similar buildings.

(8) “Energy Use Intensity (EUI)” shall mean the KBTUs (1,000 British Thermal Units) used per square foot of gross floor area.

(9) “Gross Floor Area” shall mean the total number of enclosed square feet measured between the exterior surfaces of the fixed walls within any structure used or intended for supporting or sheltering any use or occupancy.

(10) “Portfolio Manager” shall mean ENERGY STAR Portfolio Manager, the internet-based tool developed and maintained by the United States Environmental Protection Agency to track and assess the relative Energy performance of buildings nationwide, or successor.

(11) “Utility” shall mean an entity that distributes and sells Energy to Covered Municipal Buildings.

(12) “Weather Normalized Site EUI” shall mean the amount of Energy that would have been used by a property under 30-year average temperatures, accounting for the difference between average temperatures and yearly fluctuations.

§2. APPLICABILITY

(1) This policy is applicable to all Covered Municipal Buildings as defined in Section 2 of this policy.

(2) The Commissioner may exempt a particular Covered Municipal Building from the benchmarking requirement if the Commissioner determines that it has characteristics that make benchmarking impractical.

§3. BENCHMARKING REQUIRED FOR COVERED MUNICIPAL BUILDINGS

(1) No later than **May 1st, 2021** and no later than **May 1st** every year thereafter, the Commissioner or his or her designee from the Department shall enter into Portfolio Manager the total Energy consumed by each Covered Municipal Building, along with all other descriptive information required by Portfolio Manager for the previous calendar year.

(2) For new Covered Municipal Buildings that have not accumulated 12 months of Energy use data by the first applicable date following occupancy for inputting Energy use into Portfolio Manager, the Commissioner or his or her designee from the Department shall begin inputting data in the following year.

§4. DISCLOSURE AND PUBLICATION OF BENCHMARKING INFORMATION

(1) The Department shall make available to the public on the internet Benchmarking Information for the previous calendar year:

(a) no later than **September 1, 2021** and by **September 1** of each year thereafter for Covered Municipal Buildings; and

(2) The Department shall make available to the public on the internet and update at least annually, the following Benchmarking Information:

(a) Summary statistics on Energy consumption for Covered Municipal Buildings derived from aggregation of Benchmarking Information; and

(b) For each Covered Municipal Building individually:

(i) The status of compliance with the requirements of this Policy; and

(ii) The building address, primary use type, and gross floor area; and

(iii) Annual summary statistics, including site EUI, Weather Normalized Source EUI, annual GHG emissions, and an Energy Performance Score where available; and

(iv) A comparison of the annual summary statistics (as required by Section 5(2)(b)(iii) of this Policy) across calendar years for all years since annual reporting under this Policy has been required for said building.

§5. MAINTENANCE OF RECORDS

The Department shall maintain records as necessary for carrying out the purposes of this Policy, including but not limited to Energy bills and other documents received from tenants and/or Utilities. Such records shall be preserved by the Department for a period of three (3) years.

§6. ENFORCEMENT AND ADMINISTRATION

(1) The Commissioner or his or her designee from the Department shall be the Chief Enforcement Officer of this Policy.

(2) The Chief Enforcement Officer of this Policy may promulgate regulations necessary for the administration of the requirements of this Policy.

(3) Within thirty days after each anniversary date of the effective date of this Policy, the Chief Enforcement Officer shall submit a report to the City of North Tonawanda Common Council including but not limited to summary statistics on Energy consumption for Covered Municipal Buildings derived from aggregation of Benchmarking Information, a list of all Covered Municipal Buildings identifying each Covered Municipal Building that the Commissioner determined to be exempt from the benchmarking requirement and the reason for the exemption, and the status of compliance with the requirements of this Policy.

§7. EFFECTIVE DATE

This policy shall be effective immediately upon passage.

§8. SEVERABILITY

The invalidity or unenforceability of any section, subsection, paragraph, sentence, clause, provision, or phrase of the aforementioned sections, as declared by the valid judgment of any court of competent jurisdiction to be unconstitutional, shall not affect the validity or enforceability of any other section, subsection, paragraph, sentence, clause, provision, or phrase, which shall remain in full force and effect.

Subject to further review by the City Attorney.

Re: Pinewoods Park Pavilion and Bathroom Improvement Proposals

Dear Honorable Body:

The City was awarded a \$91,450 grant from the Dormitory Authority of the State of New York (DASNY) to make improvements to the main pavilion and bathroom facility at Pinewoods Park. Improvements to Pinewoods Park will include epoxy of the concrete floors in the pavilion, cleaning and restoration of the brick, interior lighting improvements, exterior soffit light improvements, interior and exterior painting improvements, enhancements to the kitchen space, and ADA improvements to the bathroom facility.

To complete the Pinewoods Park Pavilion and Bathroom Improvements Project, the City intends to procure the services of a professional engineering firm. This firm's responsibilities will include design of the identified improvements and implementation assistance through the construction and installation stages.

A request for proposals was issued in November 2020 and the City received two proposals from professional firms. A review committee was convened with representation from the City Council, City Engineering, Community Development office, and Parks and Recreation, to review the proposals and provide a recommendation to the Council.

Upon review the committee is recommending the City select the proposal submitted by Nussbaumer & Clarke, Inc. Nussbaumer is a local firm with experience in design of renovations for similar projects. The review committee felt the team assembled by Nussbaumer demonstrated the experience, creativity, and capacity to complete this project for the City at a reasonable fee.

I am hereby requesting this honorable body consider selecting Nussbaumer & Clarke, Inc. to complete the Pinewoods Park Pavilion and Bathroom Improvements Project and authorize the Mayor to sign a contract with Nussbaumer, pending review and approval by the City Attorney, for the proposed fee of \$18,100.00.

X. Police Chief

January 19, 2021

Honorable Mayor Arthur Pappas
 And Common Council
 216 Payne Avenue
 North Tonawanda, NY 14120

Dear Honorable Body,

I am requesting to have an agreement between the North Tonawanda Police Department and the North Tonawanda Fire Department approved to have two members of the fire department made a part of the SWAT team as Tactical Team Paramedics.

The New York State Department of Criminal Justice Services (DCJS) requires that all NYS Certified Swat Teams have capabilities and written directives for tactical medical care provided by an Emergency Medical Technician (EMT) and said EMT may be a member of the fire department.

Currently our team is in the final stages of being certified by DCJS; but currently lacks a Tactical EMT. I am requesting two in case one is unavailable for a call out.

In 2017 the North Tonawanda Police Department was awarded a \$100,000 Tactical Team grant to supplement the department's needs for equipment, training and certain personnel costs associated with training. We are not eligible to receive any other grant funding under this program until we meet the minimum standards for certification, which include the Tactical EMT position being filled.

Our team leader, Lt. Lee Bolsover and Assistant team leader, Lt. Nick Iwanicki have estimated that each EMT would require approximately 60 hours of training to meet the standards set by DCJS for Tactical Team Paramedics. Those training hours would equate to approximately \$4600.00 in total compensation for the two EMT's for their training.

In addition to not being eligible for the Tactical Grant, I have spoken to City Attorney Luke Brown and he and I believe that we are setting the City up for possible civil liability based on Senate Bill S6601A, if based on the situation we are not able to get medical personnel into a scene that is not yet safe and we have one or more injured suspects in custody and do not have a tactically trained EMT inside our perimeter.

The following is the bill that the governor has signed. Fire Chief Sikora and the North Tonawanda Fire Department Medical Director Jason Borton have no issues with this request.

Respectfully,
Thomas E. Krantz
Chief of Police

To whom it may concern,

We are respectfully requesting the use of Gratwick Riverside Park to host a charity flag football tournament on Saturday May 1. We are asking for permission to use Shelter 1 as well as the Southeastern Park area (location of soccer fields) where three football fields will be set up for the event.

All proceeds for the event (generated by team registration) will be allocated specifically to the North Tonawanda Box of Hope initiative which is a community-wide program orchestrated through the local churches, school district and volunteers of the community. Box of Hope provides boxes of non-perishable food items to registered families in need, along with school supplies (start of school season), Christmas presents (holiday box delivery) and crisis intervention (upon request for those in need).

We anticipate 10-15 teams of 8 individuals participating in the event and will utilize the shelter as a meal location where participants will be provided with food and refreshments. The fields will be spaced out and all NYS COVID Guidelines will be followed regarding masks, sanitization, and social distancing where appropriate.

We kindly are asking for your approval to hold the event, and also to waive any fee/permit associated with the park use. Thank you for your time and consideration.

Dear Honorable Body:

I will introduce this late communication during our Common Council Meeting on February 2, 2021 for a call to action to communicate to Governor Cuomo to increase Aid and Incentives to Municipalities (AIM) in the 2021-2022 budget. The NYS Legislature is currently meeting on this issue attempting to recommit AIM funding and we need all parties to implore them to increase AIM and not decrease it as proposed by the Governor reflected in the attached resolution.

Please let me know if you have any questions. My draft copy was sent out on Friday and two Council Members responded with draft inputs.

The following resolution was offered by Alderman Pecoraro, who moved its adoption, seconded by Alderman DiBernardo, to-wit:

REQUESTING THE GOVERNOR AND STATE LEGISLATURE TO INCREASE AID AND INCENTIVES TO MUNICIPALITIES (AIM) FUNDING IN THE 2021-2022 NYS BUDGET

WHEREAS, Aid & Incentive to Municipalities (AIM) funding is the unrestricted State aid that cities and villages in New York receive from the State and such aid is distributed annually via the State budget; and

WHEREAS, a strong state and local fiscal partnership is essential to generating economic vitality in all regions of our State and the New York State Budget providing AIM funding to the local governments is a critical component of such a partnership; and

WHEREAS, in 2021 Governor Cuomo proposed cut in AIM funding to municipalities in Niagara County by \$1,709,462. Specifically, North Tonawanda's funding is to be cut from FY21 enacted budget of \$4,335,111 (does not include the impact of withholdings during the year) to \$3,468,089, a decrease of \$867,022.

WHEREAS, the Governor's proposed budget presents "The Budget equitably reduces the amount of Aid and Incentives to Municipalities (AIM) for cities in New York State based on their reliance, calculated as a percentage of the total city budget. Payments will be reduced by

2.5 percent for those cities with the highest reliance on AIM, and up to 20 percent for those who have the least reliance.”

WHEREAS, North Tonawanda has an approved FY2021 budgeted that if altered negatively will drive potential cuts in services and personnel. This could include all departments including health and safety, which Police and Fire are impacted.

WHEREAS, the fact that the New York State tax cap is now permanent only accentuates the need for annual increases in AIM funding.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Council call upon Governor Andrew M. Cuomo, State Senator Rob Ort, Assemblyman Angelo Morinello, Assemblyman Bill Conrad, and all members of the NYS Legislature to increase AIM funding in the 2021-2022 New York State Budget; and

BE IT FURTHER RESOLVED, that the City Clerk forward a certified copy of this resolution to the Governor and all of our State representatives. In addition, request the Mayor invite the North Tonawanda Police Benevolent Association (PBA) to write the NYS PBA and, the North Tonawanda Fire Department to write to Fireman’s Association of the State of NY (FASNY), employees associated with the American Federation of State, County, and Municipal Employees (AFSCME), Civil Service Employee Association (CSEA), and the Office and Professional *Employees International Union* (OPEIU) write to their NYS representatives -- together we can make this happen!
