MAY 04 2021

Dear Honorable Mayor and Common Council,

It is with great regret that I have to inform you of my intent to resign from the position of Director of Community Development. My resignation will be effective as of May 14th, 2021.

I have worked in North Tonawanda through Lumber City Development and the Community Development office for almost ten years. In that time I have worked for two Mayors and numerous Aldermen, all of whom provided nothing but support and respect to me and my office. It has been a pleasure working for all of you past and present and I would like to sincerely thank you for your support. I would also like to thank my fellow Department heads and colleagues in City government, it has been a pleasure working with all of you.

North Tonawanda is a city I'm proud to call home. Thank you for the opportunity to work in this wonderful community. I look forward to seeing and working with all of you again in the future.

Kindest regards,

Michael Zimmerman

Traffic Safety Minutes:

The April 2021 meeting of the North Tonawanda Traffic Safety Committee was called to order at 1900 hours. Roll call showed the following members present: R. Frank, J. Sikora, M. Meisenburg, M. Lemke, D. Grinnell, A. DiBernardo. The minutes from the previous meeting were read and accepted, the following new concerns/requests were discussed, and recommendations made.

- 1.) Councilman Tylec had a complaint regarding speeding and cross walk problems on Sweeney Street. The complainant wants the committee to look into placing a stop sign on Sweeney Street in the area of Division Street and Spruce Street with a possible crosswalk to the bike path. A crosswalk can not be put in at this time due to there not being a sidewalk on the south side of Sweeney Street. The bike path has crossings already which were designed by the City Engineer when the bike path was built. Member Frank has had the traffic officer and special speeding enforcement details on Sweeney Street. There have been tickets written and the average speed is 35 mph. The speed sign was also put there for 10 days and will be put back out there over the next several months. Stop sign request denied. Sweeney Street will be monitored.
- 2.) Councilman Tylec had a request from the owner of Witter's, Josh Ramos, who asked for a handicap sign near is business. The committee agrees with the request and is asking the council to approve a handicap spot on the south west corner of Schenck Street. This part of the street has a cutout in the street which would help with someone getting out of a vehicle safely. Request approved with approval from the council.
- 3.) Councilman Tylec had a request for "Children at Play" signs on Deerfield Drive right after the bend from Ohio Street. These signs are designated for schools, parks and day cares. Request denied.
- 4.) Councilman Tylec stated that the building owner at Warner and Ward Road has multiple issues with people driving over the sidewalk due there not being curbs. Member Frank has spoken with DPW Superintendent, Mark Zellner. Zellner stated that the intersection is on the list to be worked on this summer. The committee will work with Zellner to help improve the intersection.

- 5.) The committee received a request to put up a stop sign at Schenck Street and Bryant Street. There is a stop sign at the intersections before and after that intersection therefore another stop sign is not needed. Request denied.
- 6.) The committee received a request from David Horn from Esther Street. Horn would like to have "No Parking" signs put up on Ester Street from Freeman Street to Nash Road. There is currently "No Parking" signs that go from the first house on Esther Street to Nash Road. The committee is willing to grant the request and advised Horn to speak to his neighbors about what side they would like the signs on.
- 7.) The committee received a complaint from the North Tonawanda School Bus Supervisor, Thomas Witt. Witt states that the buses have a hard time getting down Drake Drive due to the parking on both sides of the street. Committee members looked at the street and felt that putting up "No Parking" signs up on the south side of St. Joseph Street by Drake Drive would be better due to there not being any houses/driveways on that side. Frank spoke with Witt who agreed to change his bus route from Drake Drive to St. Josephs Drive which would give his bus drivers more room. Request granted with approval from the council.

Meeting Adjourned at 2015 hours

Travel safely,

Re: Weed cutting contract

Attached please find copy of the only proposal received by this department for brush, weed cutting and clean up of private property for the 2021 season.

We sent out requests for bids to local landscaping contractors, see attached list.

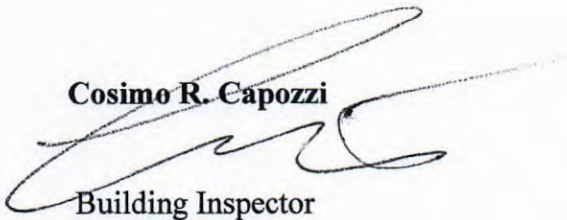

After opening said bid and a review of same, I recommend that the 2021 weed contract be awarded to the only responsible bidder, Complete Lawn Care & Fencing Inc. 378 Witmer Rd. North Tonawanda.

This is the same company we used for the last three years and are satisfied with their performance.

If you have any questions or need additional information, please let me know.
