Dear Mayor Pappas and Common Council,

I respectfully ask that you approve the appointment of Matthew Borowiec (1272 Abington Place) for the position of Golf Course Superintendent (CSEA Job Group XVI, Step 3).

Mr. Borowiec's application has been approved by the Niagara County Civil Service Commission. Mr. Borowiec was vetted through several interviews and was the best candidate for the position bringing with him six years' experience as the Assistant Superintendent at East Aurora Country Club. Mr. Borowiec is a Class C member of the Golf Course Superintendent Association of America and a member of the New York Golf Course Superintendent Association.

Mr. Borowiec brings with him knowledge and experience that will benefit Deerwood Golf Course as it looks to build on the momentum from the leadership of Nick Rosart who recently stepped down from his position as Golf Course Superintendent to pursue another job opportunity outside the City.

At this time Mr. Borowiec has successfully completed his background check and health screening and I am requesting that he be approved for employment with a start date of October 6, 2021. Thank you for your consideration.

Traffic Safety Minutes:

The September 2021 meeting of the North Tonawanda Traffic Safety Committee was called to order at 1900 hours. Roll call showed the following members present: R. Frank, J. Sikora, M. Meisenburg, D. Grinnell, A. DiBernardo. The minutes from the previous meeting were read and accepted, the following new concerns/requests were discussed, and recommendations made.

- 1.) Councilman Austin Tylec had a resident request a "No Parking" sign on Oliver Street at Linwood Avenue on the east side of the street. Member Frank advised Tylec that there is a "No Parking" sign already attached to a telephone pole that covers that area.
- 2.) Councilman Robert Pecoraro had a resident request that we take down the light at Christiana Street and Payne Avenue. The committee monitored the light to find that the light should not come down due to the People's Inc. building on Christiana Street, which brings extra traffic to the intersection.
- 3.) The DPW fixed and painted the traffic lines at the corner of Ward Road and Warner Avenue to help with the flow of traffic. The street still comes extremely close to the sidewalk so the committee's recommendation is to place curbs at the corner. The property owner at the corner, Steve Toth, advised the committee that he would take care of any cost for the curbs.
- 4.) Matthew Happ requested that the "Hearing Impaired" sign at Master Street and Bowen Drive be removed. Member Frank inquired about the individual that the sign was there for to find that the sign is no longer needed.
- 5.) Councilman Robert Schmigel had residents request a guard rail at the curve on North Avenue. The committee requested this earlier this year and was advised that a guard rail could not be installed due to liability issues.
- 6.) Councilman Robert Schmigel requested that Ward Road be monitored for speeding and overweight trucks. Member Frank will have both monitored with patrols.
- 7.) Member Lemke requested a "No Parking" sign at the corner of Oakdale Drive and Ward Road. The sign would keep cars from tearing up the terrace of 234 Ward Road. Member Frank spoke with the owner of 234 Ward Road who is in favor of the sign.

Dear Mayor Pappas and Common Council,

Our department is requesting permission to close off the portion of Vandervoort Street directly in front of the Hope Center (383 Vandervoort Street) for our Youth Center kick off event on Saturday October 9 from 12-3pm.

Barricades (indicated in the attached picture—in yellow) will block the street entrance at the corner of Kiel and Vandervoort, as well as traffic directly in front of the building. This street closure will not hinder access to the businesses in the building across the street, nor will it hinder any residents. Blocking off this small portion of the street gives us more access for outdoor activities and inflatable fun for our event.
