ATTENTION NORTH TONAWANDA RESIDENTS

Effective immediately, the City of North Tonawanda is no longer able to accept applications for switching from Basic to Enhanced STAR.

All STAR applications must now be submitted directly through New York State.

To apply:

- Visit: www.tax.ny.gov/STAR
- Or call: (518) 457-2036

Please have your SBL (Section, Block, and Lot) number available when applying.

We apologize for any inconvenience and appreciate your understanding.

***Per NYS:** You can let the homeowner know we will notify them, and your office, if they qualify for an Enhanced STAR exemption. If we need more information to determine eligibility, such as in cases of someone who does not file an income tax return, then we will send a letter to them requesting information.
