45-6 Definitions

Heavy Pickup: Includes but is not limited to large household furnishings, major appliances, tree parts, large bulky items or items over 60-lbs in weight such as lawn mowers, storm windows, gutters and bicycles.

Large Household Furnishings: All large or bulky articles other than major appliances actually used in the home and which equip it for living (as chairs, sofas, tables, beds, carpets, etc.).

Major Appliances: A large or bulky household mechanism (as a refrigerator, washer, dryer, stove, etc.) ordinarily operated by gas or electric current.

45-8

F: All building materials from either new buildings or remodeled buildings where building permits are required shall not be placed at the curbs. The owner or contractor shall be responsible for the disposal of the same. The Building inspector shall stamp his notice on all building permits.

G: No dirt, stone, brick, concrete or other substances may accumulate as a result of building construction, demolition, remodeling or repair operations shall be set out for collection by the Department of Public Works but shall be otherwise disposed of by the contractor or owner.

45-9

E: Construction debris may not be placed for collection by the City of North Tonawanda.

F: Large Items (1) All large household furnishings, large bulky items or items over 30 pounds in weight or not capable of being placed in garbage receptacles may be placed at the curb line only on the scheduled heavy pick up collection day for that area. **Each property is limited to a pile of bulky solid waste no larger than 12 feet long, three feet high, and three feet wide, or four cubic yards total.** It shall be the sole responsibility of the property owner to dismantle any item so that it will not be a hazard to the public.

45-11

C. Garbage receptacles as issued by the City shall not have construction/demolition debris placed in them. Garbage receptacles as issued by the City shall not exceed 200 pounds for the ninety-five gallon, 150 pounds for the sixty-five gallon and 100 pounds for the thirty-five gallon, including the contents

45-14. Supervision and Enforcement

B. The Superintendent or Assistant Superintendent of Public Works shall be empowered to designate the days and hour of collection. The Superintendent or Assistant Superintendent of Public Works shall have the authority to make rules and regulations, subject to the approval of the Common Council, concerning all matters pertaining to the collection and disposal of solid waste.

C. The Superintendent or Assistant Superintendent of Public Works shall determine, subject to the approval of the Common Council, the dates and times for heavy pickups (major appliances, large household furnishings, tree parts and construction debris).

RECCOMENDATIONS

1. Restructure Bulk Collection program to provide a minimum level of consistent service to residential users, while eliminating an opportunity for abuse.
2. Collect a limited amount of items consistent with the Code with a Rear Packer
3. Refuse "selective enforcement" or "variation" based on total units per parcel. Each parcel is allocated 3
4. Eliminate High Volume use properties, specifically 5 units and greater. Keep language consistent with Code: "Heavy Pickup", "Large Household Furnishings" and "Major Appliances"
5. Qualification for Bulk Collection: Must be "on program" cannot loosely/randomly place bulk items out
6. Strike out all reference to 12x4x4 foot
