

City of North Tonawanda  
Charter Committee Meeting Minutes  
June 28, 2023

The meeting began @ 6:40 PM in the City Hall Upstairs Conference Room. Present were; Lou DalPorto, Karl Bauer, Donald Wittcop, Dee Dee Soemann, Kate Wistner, and Darlene Bolsover.

Lou stated that the preliminary report / draft had been given to Donna Braun.

A grammatically reviewed version was forwarded by Chet.

Lou said that the city attorney had suggested that Section 4 be broken into two parts for clarity. I.e., Finance and Budget...Parts 4 & 5.

Discussion ensued about how to promote the revisions to the general public.

It was agreed that there wouldn't be any regular committee meetings in July as there wasn't a need. There will invariably be smaller tactical meetings as needed when the revisions are presented to the public.

Meeting adjourned @ 7:30 PM.
