Honorable Body:

The Cooperative Bid for Water & Wastewater Chemicals will be expiring on December 31, 2018. The City of Niagara Falls is the "Lead Agency" for this joint purchasing consortium and your approval is necessary for the City of North Tonawanda to participate again in 2019.

Please see the attached letter from the City of Niagara Falls regarding this issue. Our participation in the consortium ensures that we get the lowest price for our chemicals at the Water & Wastewater Treatment Plants.

I respectfully request that you add this to your next available Common Council meeting Agenda for approval. Please contact me if you have any questions regarding our participation in this Cooperative Bid.

Thank you for your time and consideration of my request.

Sincerely,

William M. Davignon, Superintendent

RE: Cooperative Bid for Water/Waste Water Treatment Chemicals

Dear Sir:

As you are undoubtedly aware, the current cooperative bid for water and waste water treatment chemicals expires on December 31, 2018. Your organization has previously participated in this cooperative bid and we hope you will do so again this coming year. It is our intention to mail out bid packages to vendors on September 14, 2018, open the bids on October 24, 2018, and we anticipate awarding the bid at the November 26, 2018 meeting of the Niagara Falls Water Board (NFWB).

The NFWB will be awarding the bid on behalf of the participants in this cooperative bid. It is important that each of your governing bodies give approval for the NFWB to award the bid on your behalf, and that you forward a copy of that approval by mail or email to Ms. Leeann Huey no later than September 4, 2018.

Enclosed is the list of chemicals we intend to solicit bids for, as well as the estimated quantities you requested last year. Please update your contact information and list your estimated quantities for 2019 where indicated. If you require different items or sizes, or have any other requirements, please note this when returning this document. We ask that you return this document to Ms. Huey no later than August 17, 2018. Please note that this is a firm date for the information and that an accurate estimate is important. If you have any additional requirements, please note them in your response.

If there are any new vendors which have requested a bid package, please forward the vendor's contact information to Ms. Huey no later than September 4, 2018.

If you have any questions please contact Ms. Huey via telephone at 716-286-4371 or via email at leeann.huey@niagarafallsny.gov.

Re: Assistant Superintendent of Public Works
Provisional Appointment of John Urban

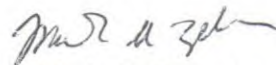

Dear Mayor Pappas and Honorable Body:

Please be advised that I have provisionally appointed Mr. John Urban to the position of Assistant Superintendent of Public Works effective July 13, 2018, at step two salary set forth in OPEIU contract Section 6.11.

I have requested the Niagara County Civil Service to schedule an Examination for the position of Assistant Superintendent of Public Works.

On Mr. Urban's behalf I would request the Council grant him a Leave of Absence from his previous position of Heavy Equipment Maintenance Supervisor, until such time as his return to the position or he receives another permanent appointment.

RE: "SAM" GRANT

On June 28, 2018, the City received notice that we have been awarded a State and Municipal Facilities Program grant for the purchase of a Fire Investigation Vehicle for the Fire Department. In accordance with the requirements of the grant, the City must commit \$50,000 to fund the project budget. In order to secure this grant, the Common Council must pass a resolution permitting the Accounting Department to Budget the necessary funds for 2019 and allow me to start the preliminary application.

Please contact me with any questions you may have.

Re: Request for endorsement of a potential grant application by Lumber City Development Corporation

Honorable Body;

As you are aware, Lumber City Development Corporation (LCDC) has been actively working on a variety of community and economic development projects including downtown redevelopment. One of the projects currently in progress is the redevelopment of 211 Main Street.

211 Main is a former lumber warehouse now under the ownership of Enterprise Lumber & Silo, LLC. The company plans to renovate the structure into new professional office space. The project will renovate a blighted eyesore, will add new job opportunities to downtown, and is consistent with the vision articulated by the NT Momentum plan.

LCDC would like to apply for grant funding from the New York Main Street Downtown Anchor (NYMS) program in the approximate amount of \$315,000 to support this project. The City is not the applicant for funds and all funds and project activities will be managed by LCDC, however the NYMS program requires an endorsement by the municipality to apply for grant funding.

At this time I respectfully request this Honorable Body consider approving the attached resolution endorsing LCDC's application to the 2018 New York Main Street program.

Thank you for your time and consideration.

Kindest regards,

Michael Zimmerman

Re: Discussion to consider applying for grant funding to support a Sweeney Street/Erie Canal Bike Path Extension and Connection project

Dear Honorable Body;

The Community Development office and Engineering office have recently had discussions with multiple representatives from numerous State agencies as well as our neighboring municipalities to discuss the current status of the Niagara River and Erie Canal bike trail network and potential improvements to the trails. Through these discussions we have developed a potential project which we believe would benefit North Tonawanda residents as well as complement the larger regional trail network.

This project would include the extension of the existing path along Sweeney, which currently ends at Mayor's Park, further east to connect to the Botanical Gardens as well as a short but critical connection at the western end of Sweeney Street between Webster Street and the Riverwalk Trail along River Road.

The total current cost estimate for this project is \$1,600,000. Through upcoming grant applications to NYSDOT TAP program, NYS CFA program, and Niagara Greenway Commission, we believe the City could apply for up to \$1,440,000 in grant funding to support the project.

At this time we would like to request this Honorable Council to authorize the City to submit grant applications in the approximate amount of \$1,440,000 for the Sweeney Street/Erie Canal Bike Path project.

Thank you for your time and consideration.

Re: Authorization to submit a Community Development Block Grant application to the New York State Office of Community Renewal

Honorable Body;

As discussed at the public hearing held July 10, 2018, the City Community Development and Engineering offices have identified a potential project which could be eligible for funding through the Community Development Block Grant (CDBG) program as administered by the New York State Office of Community Renewal (OCR).

The project includes municipal storm-sewer separation on 6th Avenue and 7th Avenue between Oliver Street and Ironton Street, as well as the replacement of the water mains on 5th Avenue, 6th Avenue, and 7th Avenue also between Oliver Street and Ironton Street. This project will substantially benefit the residents of this area by improving water pressure and flow to area homes and fire hydrants, reducing local flooding issues, and improving the efficiency of the city sewer and storm-sewer systems.

I respectfully request this Honorable Body consider approving the attached resolution authorizing the submission of a grant application to the NYS OCR CDBG Public Infrastructure program.

Thank you for your time and consideration.

Kindest regards,

Michael Zimmerman

RE: Request for partial street closure for Neighborhood Block Party/ Aug. 11th, '18.

Dear Mr. Quinn;

In speaking this week with both the desk clerk at the DPW, and our Common Council representative, Donna Braun, they referred me to send you the following request for;

- Request to close the 400 block of Roncroff Drive, between Park Ave. & Wright Ave.
- For Saturday, August 11th, 2018.
- From 4:00 pm to approx.. 10:00pm.
- Only for the direct neighbors & their families residing on our block.

DPW said they'd drop off the barriers, which we can move into place on Saturday (and we will then remove later that evening), and DPW will pick them up then on Monday the 13th.

Donna said you would need this memo to process and then to forward to the Council for approval. Please contact me for any questions you have, or anything else I/we need to do.

THANK YOU for your help.
