

This is similar to the previous CLG application/projects used to develop the Sweeney Estate National Register District. The HPC used the 2019 application to gauge the in-kind hours that would be needed from CLG personnel (City employees). This would not be a cash request, simply utilizing the resources available during regular City hours. This amount (12 hours total) needs to be authorized by the Common Council.

Attached are the documents being submitted and letters of support received for this project proposal. If there is anything else needed please let me know! Thank you!

The Honorable Mayor Tylec
And Common Council
216 Payne Avenue
North Tonawanda, NY 14120

Our department is seeking approval of the attached agreement with Dan Bacon (owner of Hangry Hog Mobile Grill) to take over food and drink concessions at Deerwood Golf course on a temporary basis (for the 2022 season). He would be partnering with Sal Andolina (owner of the Hen House).

As you are aware we've solicited three different requests for proposals (RFP) since October 2021 seeking a long-term concessionaire. We still do have an RFP currently out for full-time concessionaire proposals, however considering the need for food and beverage services it is suggested that we move forward with this temporary agreement to ensure concessionaire services for the 2022 golf season. Mr. Bacon has a plan in place, and the equipment needed to expedite the process of providing concessionaire services with relatively quick turnaround time; however the process of getting licenses, permits etc. cannot begin until this agreement is signed.

Respectfully submitted,
Alex Domaradzki
