Re: 2022 New York State Consolidated Funding Application- Local Waterfront Revitalization Plan Budget Amendment

Dear Honorable Body,

As you are aware, on July 5th 2022 at the regular session of the North Tonawanda Common Council meeting, the Common Council passed a resolution allowing the City to submit five (5) Consolidated Funding Applications (CFAs) to various State agencies for the following projects:

- Comprehensive Plan Update
- Memorial Pool- Pre-Planning Development & Design
- Gateway Harbor Wifi & Harbor Master Facility Technology Improvements
- Local Waterfront Revitalization Plan update
- Wastewater Treatment Plant- Green Infrastructure Grant Program (GIGP)

Upon review of the passed resolution, the budget for the Local Waterfront Revitalization Plan (LWRP) update will need to be amended as the total project cost and match requirements have changed:

Local Waterfront Revitalization Plan (LWRP) Update:

The City of North Tonawanda is looking to update its Local Waterfront Revitalization Plan (LWRP) which has not been updated since 1988. The LWRP plan provides a long-term land and water use plan and identifies legal techniques and policies for implementation. The LWRP plan guides future development along the waterfront and includes general regulations such as: assuring that new waterfront development is well designed, provides public access, brings land use regulations into better conformity while protecting natural areas and reducing the impact on our environment and waterways. Once in place, the LWRP will be utilized to better compete for waterfront development projects and should be reviewed and reaffirmed by the Common Council at least once every five years.

CITY CLERK'S OFFICE

The minimum award for the LWRP update is \$50,000 with a 25% match requirement. The City of North Tonawanda is eligible for a reduced 15% match because of its location in an Environmental Justice area.

New Budget Breakdown:

NYS LWRP Program:	\$130,000
Local Match (15%)*:	\$23,000.00 (\$10,000 In Kind/ \$13,000 Cash)
Total Project Cost:	\$153,000

Original Budget Breakdown (approved 7/5/22):

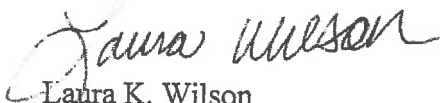

NYS LWRP Program:	\$97,500
Local Match (25%):	\$32,500 (\$10,000 In Kind/ \$22,500 Cash)
Total Project Cost:	\$130,000

*since the July 5th 2022 Common Council approval, guidance has been provided by the New York State Department of State that North Tonawanda is eligible for 15% match due to its location in an Environmental Justice area.

At this time I would like to respectfully request that the Honorable Council authorize an application and amended budget to the Local Waterfront Revitalization Plan (LWRP) program.

Thank you for your consideration. Please let me know if you have any questions or require any additional information.

Sincerely,

Laura K. Wilson

RE: Labor Day Concert

Dear Honorable Body,

The Oliver Street Merchants Association is requesting the approval from the Common Council for Oliver Street's first annual "Labor Day" concert on September 4th from 3-10 pm. We request the closing of Oliver Street from 9th to 11th Avenue, traffic will still be able to turn left on Oliver Street from 9th Street. This festival will include a Car show, Artisan vendors as well as, four popular local bands. The Artisan vendors will be located down and around Buffalo Bolt Parkway, the stage located at the center of Oliver and 10th and the Car show between 10th and 11th Avenue.

We are going to "adopt" a WNY Hero and collaborate with WNY Heroes, we are anticipating kicking off the concert with the Honor Guard followed by the series of bands. We also request the support of the Police Auxiliary to ensure the safety of the patrons of this event. As well as, additional garbage cans for trash refuse.

I look forward to answering any questions that the Council may have and look forward to seeing you all there-

Sincerely,

Lauren Schulte

A successful and well-received event is being proposed again to help homeless dogs right here in North Tonawanda and bring our residents - and their four-legged friends - together.

From noon to 4 p.m. Saturday, Sept. 3 at Carruthers Park, I would like to host a free community event called "Dogs are People, Too." with the assistance of Mayor Tylec.

The event would give residents an opportunity to visit a park that is not as well-known, bringing eyes to it from guests across WNY; learn more about fostering and adopting through Diamonds in the Ruff Animal Rescue; spread awareness about keeping pets safe; and offer the opportunity for residents to register their pet in North Tonawanda which helps when the pet is lost.

We would also invite food trucks; have music; activities for residents to enjoy with their dogs like a free ball pit photo shoot with Tailor Mayde Photography; a doggy fashion show; dog pools; doggy kissing booth; opportunities to learn about the North Tonawanda Police K9s; appearances from WNY Heroes service dogs; possible Paw Patrol characters for kids; dog-themed vendors with dog treats, bandanas, collars, leashes, etc.; a basket raffle for Diamonds in the Ruff and more.

As a proud North Tonawanda resident, and creator of Sweet Buffalo, I wanted to continue the dog event in our city because I believe residents truly enjoy it - but even more so that their dogs enjoy!

Dogs must always remain leashed to attend the event.

Thank you,
Kim Larussa

Dear honorable members of the North Tonawanda City Council,

The North Tonawanda Athletic Association is an organization that aims at bonding and creating a positive environment for the youth in our city. As part of our community initiatives, we hold fundraising events to maintain our tight budgetary limits.

This year, we would like to hold a boot drive at our local farmer's market on Market Drive. It shall take place July 30, 2022 from 8:00am until 1:00 pm. We are kindly asking permission for this event to take place.

Your timely response to this request would be greatly appreciated. I look forward to positive feedback from your esteemed members.

Thank you and regards,
